## Historical Bricks

<http://www.historicalbricks.com>

*We are the nation's premier supplier of antique brick for residential, landscaping, commercial and institutional projects.*

*Historical Bricks works directly with home owners, home buyers, architects, designers and builders to find the perfect brick for your project.*

*We have bricks for paving, building, indoor/outdoor flooring and the unique one of kind 'clinker' bricks.*

*We also offer Custom Matching for your projects.*

*Visit our website to find out more information on the products and services we offer.*
